CELEBRATE EARTH DAY IN PELHAM SATURDAY, APRIL 22

9-11am: Join in a school-neighborhood clean-up at any Pelham's elementary school. PTA volunteers will provide supplies at the front of each school.

12-3pm: Join in Pelham's Earth Day festival at Gazebo Park (Fifth Ave and Harmon) for educational activities, crafts, free composting, student research demos, live music and more!

Celebrating women,
leadership, and
community since

1941

The Junior League of Pelham was the first League established in Westchester County, New York. In 1932 a small group of women created the Pelham Service League and dedicated their efforts to community projects primarily benefiting women and children. On January 26, 1941, this group was accepted as a member organization of what is now called the Association of Junior Leagues International (AJLI).

04

THE JLP MISSION

The Junior League of Pelham is an organization of women committed to promoting voluntarism, developing the potential of women, and improving the community through the effective action and leadership of trained volunteers. Its purpose is exclusively educational and charitable.

WELCOME LETTER FROM PRESIDENT AILEEN DOSE

Fall 2022

When our 2022-2023 JLP season began, my personal goal was to have our collective efforts be driven by **connection**, **compassion** and **community**. I could not be more proud, and grateful, to all of JLP members for doing just that!

Through our issue-based projects, donation drives and partnering with multiple local non-profits, they have brought positive community impact both here in Pelham and with our neighbors in Mt. Vernon and New Rochelle. They are changing lives with every effort, in ways big and small, and I count myself fortunate to lead this group of impactful women.

Over the past few months, we have been part of:

- **GMM Donation drives**
 - September - 914Cares - clothing drive
 - October - Refugees in the Bronx - toiletries and socks drive
 - November - Boys & Girls Club - after school snacks, banana bread

05

Welcome Letter

Continued...

- **Ongoing Projects**

- JLP Reads - monthly reading and crafts at the Town of Pelham Public Library
- JL of Scientists - excited to bring their preschool science projects back in the Spring
- Ending Hunger - providing weekly after-school snacks for the Boys and Girls Club, planning on collaborating with Girl Scouts in Spring for hands-on meal serving
- Signature project - actively pursuing grant sources for funding of renovation of Julianne's Playground. Spring activity in planning stage.
- December Adopt-a-Family toy drive for Westhelp Mt Vernon, providing gifts to 43 families
- December Pajama Drive for Family Services of Westchester's Head Start program

- **Community Support**

- Pelham Chamber of Commerce - Trunk or Treat participant, Breast Cancer awareness efforts, Winter Wonderland participant
- Pelham Larks concert promotion
- Pelham Cares - Collaboration with Civics, Hearts & Homes for Refugees and Pelham Together to support needs of 40+ Pelham families
- Community Roundtable on 11/29 at the Town House - addressing climate change and sustainability efforts in Pelham and documented by the Pelham Examiner
- Supporting mental health - promotion of Upshur Bren event 'Breaking Anxiety' at The Picture House 12/13
- Grant to Amani Charter School - Aileen attended the ribbon cutting on 12/14 in recognition of the 2022 grant we provided, which supported purchasing materials for their new ESL / Sensory Room

- **Fundraisers**

- Oktoberfest fundraiser - over 100+ participants, and funds raised will support projects, training and grants
- Love Pelham - Annual fundraiser campaign with snowflake and ornament gifts - funding goes towards projects, training, scholarship, and grants

- **Membership**

- New provisional class of 25 members! Project for MLK Day weekend will be maternal/family support postpartum together with community partner Family Services of Westchester

Throughout the above, we have connected with one another, showed compassion towards the individuals in need on the receiving end of our efforts, and demonstrated our commitment to our gem of a community and partner organizations.

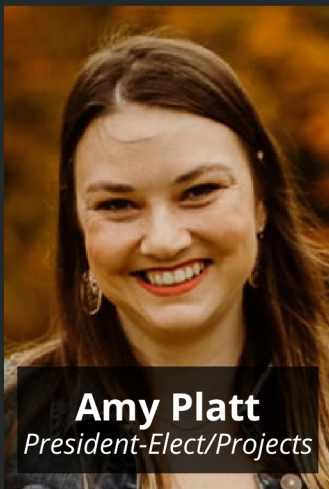

Our impact would not be possible without our generous donors—they are the water under our boat, and we are committed to using those funds with the greatest responsibility to do the greatest good. We hope you consider JLP in your end of year giving. With your help, we can continue to spread the love.

JLP Reads

Over the course of the year, JLPers were invited to sign-up, a la DIAD, and read to youth at the Town of Pelham Public Library--a rewarding experience!

Ending Hunger

Through our partnership with the Boys & Girls Club of New Rochelle, we established an initiative to provide snacks for their after-school program of 120 students, grades 2-12.

Professional Prep

The career discussion and networking night was held at Rockwell's in March and drew a large crowd. The topic was a post-pandemic work-life balance plus an inspiring story from JLP's Karen Beatty.

Last night's conversations at the tables were like mini therapy sessions and a jolt of caffeine all in one!

OUR PROJECTS

10

Community Roundtable

The late November event aimed to foster dialogue and strengthen community knowledge, connections, and action in support of environmental sustainability and climate resilience in Pelham.

Junior League of Scientists

A successful year stoking kids' interests in science with several innovative approaches: movie nights, hands-on events, and a curated list of lessons and books to support parents and teachers.

Pelham Cares

After raising significant funds from the community during the COVID crisis, Pelham Cares evolved to become a project that links families in need with families who were willing to give.

Signature Project

JULIANNE'S PLAYGROUND

~25%
Project Done

The Junior League of Pelham and the Pelham Union Free School District made great strides in revitalizing Julianne's Playground. Located on 6th Street in Pelham, this park honors the spirit of Julianne Borsella, an 8-year old who died from Ewing's Sarcoma. This park was a solace to her as she sat by the sunlit window at her house and watched children laugh and play. When she could, she would join them.

On February 15, 2023, the Pelham School District announced that the play structure that was originally destined for Hutchinson Elementary School would instead be donated to Julianne's Park, kicking off this phase of our Signature Project.

On April 10th, 2023, Julianne's birthday, we were excited to cut the ribbon on the new playground equipment intended for older children. We will all continue to unite to build the park into an inclusive environment for young and old, including accessible equipment and access during this multi-year project.

In May, JLP organized a special Mother's Day themed "photoshoot" in the park, setting up four professional photographers to do family or individual portraits. Additionally, thousands in funds were raised by other means.

The Signature Project committee is excited to continue fundraising and construction over the next few years.

SUSTAINER ACTIVITIES

The JLP Sustainers continued to live up to their name, gathering for activities that connected one another better and also that helped the community.

Highlights included:

*A brunch and cooking demonstration by Chef Melanie Underwood of Gather Culinary that explored using cooking as a pathway to joy

*Participation and hosting during November bread-baking

*Organizing a luncheon for the Pelham Senior Citizens Club on

May 15th, 2023 at the Daronco Townhouse. Over fifty seniors were in attendance and enjoyed a delicious lunch catered by Depot Dave and musical entertainment from the Pelham Larks.

The Seniors were delighted when they received geraniums to take home. Many took leftovers to deliver to friends that are shut-in or for an additional meal for themselves. One senior commented that **this was the best luncheon they have had!"**

PROVISIONAL CLASS

PROVISIONAL CLASS PROJECT

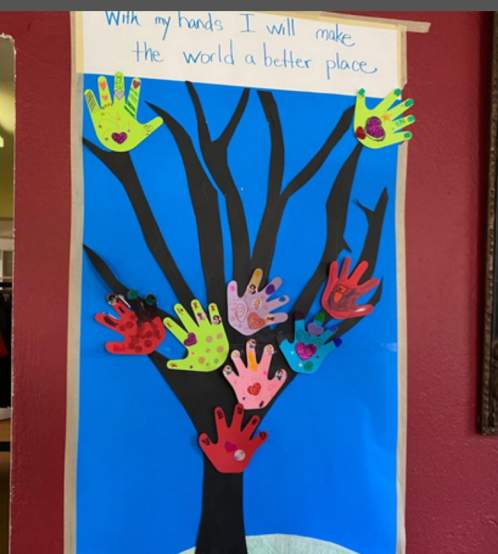

The provisional class hosted a Women's Resource Drive that truly embodied the spirit of MLK day, and benefited women and families who receive services through Giving Friends, Bundles of Joy, and Family Services of Westchester. With over 50 attendees, kids created crafts while moms got to enjoy two phenomenal Barre classes led by Danielle of Pelham's Thrive Barre & Fitness, all while the class sorted and collected bags & boxes of donations.

The provisional class was excited to be able to provide a few hours of wellness and connection for the moms in our community while being able to provide much needed baby & personal care items for moms in need in our surrounding communities.

Monthly **GMMS**

Our 2023-24 General Membership Meetings covered many important and current topics that reflected JLP's continued interest in making Pelham a stronger, future-ready community, including:

September: We kicked off the year at the Manor Club with a get-to-know-you meeting and a successful clothing drive for 914Cares.

October: Our membership celebrated Hispanic American Heritage Month at the Manor Club with food and dance, and also ran a clothing drive for NYC-based the Artists, Athletes and Activists group.

November: Our membership gathered in small groups in homes to bake bread for HOPE Kitchen. Each group had a DEI discussion and over 30 loaves were delivered.

December: The holiday party was held at the home of Sarah Hammer.

It's Time to Align

JOIN US FOR THE FEBRUARY 2023 GMM

Featuring certified life coach Becki Fleischer who will help us understand our motivations and how they align with the needs of the community and the JLP.

We will also break out into committees following this presentation.

Wednesday, February 15 at 7:30pm
The Meridian Building -1 Wolfs Lane

January: Dr. Carolyn Frost presented new ways to have a great new year with "healthy mindset living" at the Meridian Building. and also helped the Provisional Class kick-off their drive for women's hygiene products and baby supplies.

February: Life coach Becki Fleischer helped members consider their motivations and how they could align with the needs of JLP and the community during this meeting at the Meridian Building.

March: This year's discussion at our small member-hosted dinners aimed to uncover the motivations and passions of our members with regards to the JLP.

April: We welcomed our brilliant 2022-2023 Provision Class with a champagne toast at SOOP Theatre Company. Our grant winners were also announced.

May: The End of Year dinner was held at the Pelham Country Club where we announced the annual award winners.

FUNDRAISING REPORT

During the Fall, Junior League members and Pelham friends kicked-off with an **Oktoberfest**-themed fundraiser at Richie's Pub. Guests enjoyed German food, beer, wine and music and, for extra fun, beer pong!

Following this, our annual **Love Pelham** campaign was determined to cover the town with as many snowflakes and ornaments as they could--gifts for generous donations coming from our community.

A NIGHT OF MYSTERY - JLP SPRING GALA

Community Members gathered to enjoy a night of mystery and magic to support our local JLP fundraising efforts. A huge success, the gala featured entertainment with a magician, palm and fortune readings, contortionists, and a fire breather. We ended the night with dancing to a live band, photos, and the silent auction. To all who gathered and those who contributed to make it a huge success, thank you!

JLP SCHOLARSHIP

Ava Knickerbocker is an all-around superstar! As a PMHS senior, she has founded and headed the Pelham American Red Cross Club. She also sits as Treasurer of the Asian Culture Club. This year she spoke at our Community Roundtable along with her co-President of Pelham Eliminates Plastics (PEP). But, it doesn't end there! We are very proud and supportive of Ava's ongoing achievements as she embodies outstanding leadership and community service. Congrats, Ava!

AWARD WINNERS

WE WERE THRILLED TO SHARE THE RECIPIENTS OF THE 2022-2023 MEMBER AWARDS!

VOLUNTEER OF THE YEAR AWARD

Kim Riegel broke the mold with Junior League of Scientists. It started out with the important goal of representing women in STEAM, and culminated in a district-wide initiative to bring science professionals, hands-on projects and STEAM in film to our whole town. We are so proud of you and the legacy of your hard work, and are grateful for the minds you inspired. Congrats!!

FIRST YEAR ACTIVE AWARD

Allison Anderson took the JLP mission to improve her community and ran with it! Demonstrating effective leadership and broad collaboration, she channeled her passion for Sustainability into steering a community-wide, action-driven Roundtable. She facilitated JLP's partnering with like-minded organizations like EcoPel and PEP to maximize our impact. Congratulations to Allison- we can't wait to see where your new Sustainability project leads!

THE ELIZABETH I. JUNOD AWARD

Melissa Deighton is the embodiment of our organization, and is an overall gem of Pelham. She has not only steered multiple novel nights and served on boards and organizations throughout town, but we could not be more fortunate that she chose us. She represents institutional knowledge spanning over a decade, brought us Wolfs Lane Park, and has guided us as we navigated decisions shaping JLP's future. Congrats Melissa, well-deserved!

Dear JLP Members,

It is with deep pride and appreciation that I address the League as outgoing President!

When I joined the league 6 years ago, I was drawn by its mission of service, and was so fortunate to have also found this incredible group of capable, motivated, remarkable women. During my time as President, I had the privilege of guiding our collective efforts towards fostering community, compassion, and connection.

With the support of this phenomenal community, our members have:

- Brought food, clothing and supplies to our neighbors in need within and outside of Pelham, including a very successful post-natal needs drive organized by our new Provisional Class, and monthly food deliveries to the local Boys and Girls Club.
- Brought an extensive STEM program to community through close partnership with our school district through hands on experiments, movies, and direct access to science professionals.
- Connected with fellow women at our Professional Prep networking event, discussing career paths, goals and balance in our post-COVID reality.
- Read to hundreds of children
- and conducted seasonal crafts, representative of years of a strong partnership with our beloved Town of Pelham Public Library.
- Through the work of our incredible Sustainers, donated Halloween candy to the New Rochelle Boys & Girls Club and served a delicious lunch to our senior citizens with the help of Depot Dave and the Pelham Larks!
- Put on events like our fun Oktoberfest and fantastic Gala that were enjoyed by neighbors across Pelham, helping to raise the very funds that enable us to have our significant impact!
- Fostered discussion around sustainability efforts through our community roundtable, and are partnering with related community groups like EcoPel and Pelham Eliminates Plastic to continue those efforts.
- Provided thousands of dollars in grants to local nonprofit partners to enhance and amplify their outreach and programming, as well as helped support/sponsor events in town presented by Pelham Together, Pelham Children's Center, Pelham Art Center, and more.
- Moved our signature project forward with the installation of new equipment at Julianne's Playground, and are working diligently to further enhance the space so that it can be enjoyed by our whole community.
- Trained our members to
- organize and execute these efforts, developing skills of leadership and honing effective collaboration. Our internal Tech, Comms, GMM and Treasury teams, all extremely vital to our operation, have been tireless and we are so grateful for their efforts!
- Participated in Advisory Boards and focus groups with fellow Pelham non-profits and community partners to assess how to best identify and meet the needs of our phenomenal community, including discussions around teen volunteering/engagement and the future of our library.

Whew! What a year!!!

The impact you have individually, and collectively, is what makes this organization so remarkable - we are beyond capable on our own, but unstoppable together!

I am so grateful to have had the opportunity to guide us in our efforts, but also to count so many of you as friends.

I am so thrilled for what is ahead for JLP under the leadership of powerhouse **Amy Platt** and the amazing incoming Board - you are in excellent hands!

Thank you once again for an incredible year, and wishing you and your loved ones an enjoyable Summer and an exciting 2023-2024 season to come!

SPECIAL EDITION

JLPPOSTINGS

Year in Review - Abbreviated

The Junior League of Pelham is an organization of women committed to promoting voluntarism, developing the potential of women, and improving the community through the effective action and leadership of trained volunteers.

Presidents' Message

It is hard to believe the 2021-2022 JLP year had come to an end. It has been an amazing honor to serve as the league's Co-Presidents this year. We could not have done it without the board. This group of women made it all seem effortless.

As we look back on another year living with a fledgling pandemic, filled with ups and downs, we are astounded by everyone's flexibility and willingness to continue the league's mission to make an impact on Pelham and our surrounding communities.

The year's highlights show the reach and breadth of the League. We can't thank you enough for your commitment and dedication to the Junior League of Pelham.

Community Outreach

- This year, the Community Roundtable pivoted to address disaster relief and planning in the wake of Hurricane Ida.
- New and old partnerships were forged including DIAD opportunities with Hearts and Homes for Refugees, Hope Soup Kitchen, WestHELP, My Sisters Place and Sharing Shelf
- Speedy and generous contributions were made during emergency events like Ida, Bronx and 5th Ave fires, and more, through programs like Pelham Cares
- Sustainers were engaged with a mindfulness and art program, a Halloween 'sip and stuff' event, and "Lasagna Love" contributions

JUNIOR LEAGUE OF
PELHAM

PROVISIONAL CLASS & PROJECT

The Provisional Class hosted Books & Basics, an event benefiting JCCA and Hillside Food Outreach, at the Manor Club.

More than 100 attendees browsed and swapped 1500 books, listened to readings, and enjoyed music by Zev. Each family went home with a copy of the book "Who Will You Be?"

The class included: Alison (Ali) Cheyne-Cavallaro, Allison Frost, Madeleine Mercer, Jennifer Turner, Salli Garrigan, Elizabeth Buckel-Abikaram, Natalie Schirone, Katy Yang, Kate Keating, Sheryl Hatwood, Allison Anderson, Dylana Smith, Estrella Piantinis, Olivia Orr, Amy Nemeth, and Katie Keenan.

GMM Roundup

An expanse of topics included DEI, entrepreneurship, guided movement/self-care, and more. In the spirit of giving, each GMM was accompanied by a donation drive: books, clothes, or food.

Fund Development

Our funding team was busy maneuvering a post-pandemic model. They successfully raised over \$60,000 from Boo Bash, Love Pelham, the Casino Royale Spring Gala, and the House & History Tour.

Projects

Projects included Professional Prep, Ending Hunger, NYSPAC support, JLP Reads, and a big year for the Junior League of Scientists with a slew of public programs and Board of Education partnership.

CIVIC LEADER

SUPPORT THE JLP AND ITS MISSION

The Junior League of Pelham raises funds through individual giving, corporate sponsorship, advertising and special events to support our mission to improve the lives of families and promote the enrichment of Pelham and neighboring communities. These funds are used to train and educate League members to be effective community leaders and financially support the projects and programs that the League's volunteers serve. We are proud to be a leadership incubator for our community!

Here are some of the ways that you can make a difference:

- Attend one of our Fundraisers
- Become a Sponsor
- Make a General Donation
- Support our Signature Project
- Advertise with us
- Pre-order the cookbook (Winter 2023 launch)
- Become an Active or Sustaining Member
