Budget 2019-20

- Michele to share screen

Looking forward to 2020-21

JLP will focus on continuing to grow its impact on its members and on our community

The 2020-21 budget and placements reflect:

- Focused volunteer responsibilities to 1 internal or external placement
- Increased budget for volunteer development
- Reduced number of projects to focus on Hunger, STEAM, Professional Development, Signature Project, Pelham Cares
- Expanded DIAD's budget to explore opportunities with new community partners
- Recognition of our current economic state: Diversify revenues, Fall focused on Love Pelham, Spring focused on 80th JLP Gala and House Tour
